

PAID INTERNSHIP OPPORTUNITY

Summer 2007

The Houston Parks and Recreation Department has immediate openings for 6 (six) PAID Internships in the Urban Forestry / Park Maintenance Section of the Greenspace Management Division.

POSITIONS AVAILABLE:

PARK MANAGER

- Integrate state-of-the-art maintenance and management techniques
- Recommend improvements and maintenance processes
- Hands-on park maintenance experience

TREE INVENTORY

- Use a Trimble Geo XT GPS unit to identify tree species, condition, location, diameter and other relevant attributes
- Recommend planting locations

PARK ASSET INVENTORY

- Use a Trimble Geo XT GPS unit to collect data on park features such as picnic tables, water fountains, etc.
- Correlate and modify data

REQUIREMENTS:

- Undergraduate with a Junior or Senior standing or graduate
- Reliable transportation for work and Texas driver's license
- Weekdays 7:00 a.m. - 4:00 p.m. or PART-TIME (flexible scheduling for students)
- Individuals must enjoy working outside in warm weather, are self motivated and able to work within a team environment.
- For Park Asset Inventory, no experience required
- For Tree Inventory, no experience required; however, applicants with Forestry background are given preference.
- The City of Houston will not provide housing.

SALARY \$10 - \$12.50 per hour

Rush resume and official transcript to Greenspace Management Section
